Logistics Services

MOTIFY

Vehicle Transport

Vehicle Transport offers a cost-effective alternative to standard towing for moving vehicles across long distances. Designed for efficiency within the U.S. and Canada, this program streamlines the coordination of vehicle relocation, allowing you to move units between any two locations while significantly reducing overhead costs.

Service Includes

Customizable Service Options

Set your own "mileage trigger" (typically between 150–200 miles).

Transport Service

Best for non-urgent relocations; managed by a dedicated coordination team.

Dual-Service Flexibility

Toggle between transport and standard towing within the dispatch system.

Multi-Vehicle Logistics

Efficiently move units via professional car carriers or multi-car trailers.

Standard Tow

Best for urgent needs; utilizes a flatbed tow truck for immediate dispatch.

Fixed Pricing Bands

Ensure predictable budgeting for your logistics with scheduled reviews to ensure pricing remains current.

Benefits

01 Significant Cost Savings
Reduce relocation expenses by up to 40% compared to standard long-distance towing rates.

02 Simplified Coordination
Our dedicated team handles the entire pickup and delivery process, removing the administrative burden from your staff.

03 Operational Efficiency
Ideal for returning "one-way" rentals or balancing inventory across different locations.

04 Reliable Timeframes
Predictable delivery window that typically ranges from 2 to 5 days, based on distance and carrier availability.

05 Operational Safety
Ensures all vehicles are transported in their current condition, provided they are operational and keys are available.

06 Broad Geographic Reach
Full service available for all routes throughout the United States and Canada.
